

Ability in Action **VIRTUAL PROGRAM**

Inclusive Fun, Play & Activities

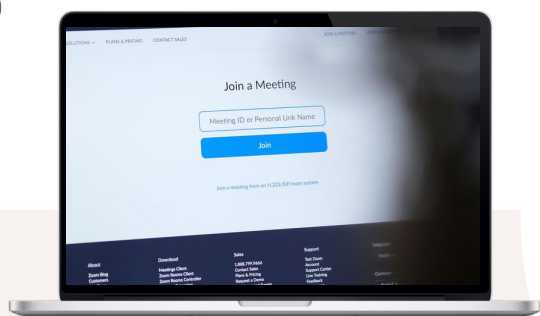

Join us for a virtual excursion for this exciting new program for your school, agency or organization. You will connect with a Variety staff who will facilitate a 1 hour lesson featuring interactive conversation and active play.

In the virtual experience students will increase awareness of the importance of play, activities and games everyone can enjoy. Learn more about motivating stories from individuals who will share their stories. The program will end with an active and inclusive game or activity.
