Q & A

Do employees need to bring anything with them? Or need to know anything in advance?

Nope! Just a can-do attitude and comfortable athletic attire! Some employees bring in their own corporate t-shirts and water bottles. We have water stations on site.

Do employees need background check or police check to participate?

No, but in person, they may be required to sign a waiver that indicates that they have not been convicted of a criminal offense related to the abuse of Minors or Venerable sector persons. There is also a photo release form that should be signed as well. This form will be provided a head of time.

We are also happy to sign any forms you may have, and we allow for your team to film corporate videos if applicable.

I need to take a break or leave my post.

No problem. Take all the time you need. And remember, have fun. Access to washrooms is on site and easy to find.

Can we take photos, videos, and post to social media?

Yup. We encourage it.

All staff and kids under our roof have signed waivers and you are free to take pictures and videos. Just be cognizant that some members and kids, may not want their pictures taken, but we are certain they will tell you. We also encourage posting to social media and will provide you with our social media links ahead of time.

We also like to tag your social media handles and that of your organization.

About Us
